"Zoroastrian Society of
Ontario – ZSO"

Board of Directors Corner

This issue of the ZSO monthly newsletter will be the last one for 2016. What an incredible year it has been. It is also a time to reflect on our accomplishments, the challenges that still lay ahead, the immense gratitude we owe to numerous volunteers who keep the wheels of our Society moving for the benefit of all and our diverse mix of Gujarati and Farsi speaking brethren which is our strength. At the annual Volunteer Appreciation Night held on 19th November at the Darbe Mehr, your directors were privileged to felicitate 140 Volunteers and spouses with a sumptuous dinner and an enjoyable evening.

We have come off a record number of religious events performed during the year in both the Shenshai and Fasli traditions. All events continue to be well attended. The newly formed Entertainment Committee hit the ground running with successful Sports Night and Movie Night events under their belt. The Bollywood Music event is selling out fast – and don't forget our annual Khushali Jashan on January 22nd.

The House and Garden Committee has been very busy throughout the year. We are working with the Toronto Fire Department all of the improvements required to update our outdated fire protection system and other requirements. We hope to complete this exercise by January end. Visible enhancements continue to be implemented like the recent installation of three chandeliers which has been well received and has improved the overall ambience in the main hall. Our next major project is to replace the flooring in the main hall. We are humbled by the support and words of encouragement we have been receiving from our membership to our initiatives. These initiatives can only become reality with financial support from our members. This is your Darbe Mehr, your place of worship and only you have the ability to bring about change. During December month of giving, do consider adding ZSO on your list. Make sure you check it twice and ZSO is on it.

Membership has its advantages. However so many amongst us continue to avail of all the benefits of membership without becoming members. This is sad and totally unfair to those who do the right thing and pay their annual membership dues. Your annual ZSO membership dues are less than a family would likely spend on a family dinner out.

In conclusion, your Board extends its best wishes to all members and their loved ones for the holiday season and a successful New Year with much happiness, love and good cheer.

Zoroastrianism in Academic Literature: A Report on an 'Insider/Outsider' Divide in Scholarly Writings

Lecture to be held at Darbe Mehr on January 22nd, 2017 by Kersi Shroff (USA)

(Immediately following Khushali Jashan Lunch)

The study of Zoroastrianism has long occupied scholars of religions as an academic discipline. A debate has lately intensified on the divide between 'Insiders' - those who study and practice the faith, and 'Outsiders', in their approaches to the study. One scholar has stated that Zoroastrianism is almost exclusively defined in academic institutions by 'Outsiders', and that the contemporary beliefs, practices, and self-understandings of Zoroastrians are ignored entirely. He has urged a re-examination of the boundaries within which all scholars must responsibly engage with questions of "faith, theology, and the diverse practices of living [Zoroastrian] communities in Iran, India, and the global diaspora."

Kersi B. Shroff is a founding member of the Zoroastrian Association of Metropolitan Washington (ZAMWI), who drafted the Constitution (1979), and served as its President (1995-1999). He is a Committee Member of the World Zoroastrian Organization (2012-).

Kersi is a barrister (England) and an attorney (USA) specialized in International and comparative laws. For 33 years he served in the Senior Executive Service as the Chief, Western Law Division and Co-Director of Congressional Research in the Law library of Congress. He has assisted ZAMWI and FEZANA on legal matters for many years.

100TH Toronto-First Zoroastrian Scout Group-November Report

The 100th Toronto-First Zoroastrian Scout Group would like to dedicate this month's report to one of its founding members, Jamshed, ("Jimmy") Mistry, who passed away on October 21st 2016 in Mumbai, after a short but extremely intensive battle with cancer.

Jimmy was a cub and a scout in Mumbai in the early 50s with our sister Group, the ex-100th Bombay, now 11th CBDA Scout Group, also known as the Homavazir's Scout Group in Parsi Colony, Dadar, Mumbai. Even as a young boy, Jimmy had excellent leadership qualities and quickly became a Sixer in Cubs and a Patrol Leader in Scouts. He was one of the few scouts from the 11th CBDA to attend an All-India Scouts Jamboree in Bangalore, in 1956.

Jimmy joined the Training Ship Dufferin after high school and sailed as a deck officer on board the Scindia Steam Navigation ships for several years. He immigrated to Canada in the summer of 1969 with his wife Pervin and his son Nauzer; his second son Pervez was born in Toronto and the youngest son Percy was born in Edmonton. Jimmy and his family came back to Toronto and Percy was one of our first scouts when we started in 1990. Jimmy was the Treasurer of ZSO when our Group was established and he was one of our Group's founding members. He was the liaison between our Group and the then ZSO Executive Committee (ZSO EC) when Sam Vesuna was the President and Russi Surti was the Executive Vice-President. Jimmy was instrumental in obtaining the start-up funding for our Group from the ZSO as well as obtaining a subsidy from ZSO for our scouts to attend the Canadian Jamboree in Alberta in 1993. He continued his role as the Liaison between our Group and the

ZSO EC even when he became the President of ZSO after Sam. He was extremely keen to encourage the Irani and Parsi youths to join the Scouts as well as the Religion Class and because of his efforts and the respect he received from Kanoun and the ZSO members, the number of youths almost doubled in the Scout Group as well as the Religion Classes.

Since the mid-90s, Jimmy did extensive travelling due to his job and settled in various places (Vancouver, Edmonton, Saint John as well as Miami, Houston, Algeria, Japan, Saudi Arabia, Australia, Papua New Guinea, Italy, South Africa, Ukraine, China, South Korea, and Malaysia). Whenever he was in Canada, he kept himself informed and contributed to our Scout Group fund raising activities and made regular donations. He made it a point to attend our Group's Silver Anniversary Picnic and Prize Distribution in July 2015.

In ending this obituary, we can think of Jimmy as a personification of the old Scout Law's poem:

"Trusty, loyal, helpful, brotherly, courteous, kind, obedient, smiling, thrifty, pure as a rustling wind".

In scouting language, Jimmy has "Gone Home" to Ahura Mazda's House of Lights, Garo-demana. May his soul rest in eternal peace, Amen.

(Submitted by Freddy Mirza on behalf of the 100th Toronto-First Zoroastrian Scout Group).

Movie and Titori Night Highlights

The ZSO community had a great Bollywood movie night on Saturday November 12 held at the Darbe Meher. Thank you to everyone who attended, it was a success.

We gave the community the choice for the movies SULTAN or DISHOOM, as per the majority votes, the movie DISHOOM won out.

We had light snacks and beverages as the crowd gathered and found their seats (Balcony, Dress Circle, Stall) with Dastur Mehabad in charge of the technical side – movie started promptly at 7pm.

As per Indian fashion, by 8.30 we had a 1 hour interval for our community to enjoy the delicious, scrumptious food prepared by our head chef Kersi Khambatta & his team of volunteers.

The menu was Patra-ni-machi, Titori, Rotli, Masala Rice, Eggplant fry and Potato in tomato dry gravy.

The movie ended with Gulab Jamun served as dessert. Once again - a big thank you to our community for all their support and co-operation for the event.
- Mahnaz Sheriar.

ZSO Volunteers Appreciation Night at Darbe Mehr

Volunteers are at the heart of every community and taking the time to recognise them is something that the ZSO has been doing for many years. Our annual Volunteer Appreciation night was held on November 19th where all volunteers who have given their time, effort and sometimes money over the past years were appreciated with a special evening dedicated to them. Below are couple of pictures commemorating the evening. Thank you again to all who give so selflessly of their time and energy.

Putli and Nozir Mirza being felicitated by President Russi Surti.

The crowd of volunteers, without whom, so many functions would not be possible.
